

# INDURINE

## A COLD WATER PAINT

A SUBSTITUTE  
FOR  
OIL PAINT  
AND  
WHITEWASH.  
**AN EXCELLENT  
FIRE  
RETARDANT  
AND  
DISINFECTANT.**

### Especially Designed For INSIDE Work on Factories and Public Buildings

It is a dry powder which can be prepared for use by simply stirring in COLD WATER and can be applied by anyone and will always produce good work.

It is VERY WHITE, extremely reflective and hardens on a wall like stone and will take any tint.

It will last for years, and is unaffected by gases.

One coat covers better than two coats of oil paint or whitewash.

It can be used on any surface and for all classes of work, even for the finest decorating.

It will not rub, scale or crack, nor will it soften with age or discolor.

It will not set in the mixing vessel, in fact it improves by standing a few days.

It can be used to good advantage over old whitewash without scraping.

**IT DRIES OUT WHITE AFTER BEING WET.**

It is cheaper than whitewash, durability considered.

Is supplied in barrels from 300 to 400 lbs., also in boxes of 100, 50 and 25 pounds.

## Outside Indurine!

### This is for OUTSIDE Work

Such as Fences, Outbuildings and Laborer's Quarters. It is a thick paste to be diluted with cold water; stands rain and exposure as well as oil paint, and costs but a fraction as much. It is fire-resisting as it contains no oil, and has no equal as a light reflector in dark basements, damp cellars and similar places. It is supplied in colors.

### AMATEUR ATHLETICS

#### Firebrace Field Day Anticipated on Victoria's Birthday.

The next field day of the Honolulu Amateur Athletic Club will be on May 24. None of the athletes have gone into training as yet, but expect to do so about the beginning of the month. The ground is in a poor condition owing to its being used by the football players. The boys intend to make the meet a good one, and, as there will probably be a half holiday, there will be some attraction whereby the general public can pass a pleasant afternoon.

The Honolulu Amateur Athletic Club was started two years ago, and although everybody wished for the welfare of the organization a speedy death was prophesied. A good many clubs of a similar kind had been started in Honolulu, but none had lasted long. The present organization, however, is still alive and intends to keep alive for some time yet.

The boys intend to do some fine exhibitions in running and jumping in the next field meet. Several of the members are talking of organizing a club to play lacrosse, and already enough to make a team have signed a willingness to join and participate.

The football and baseball teams have disbanded, the former having vanquished all comers and the latter on account of desertion of some of its members.

Frank Shepardson, an engineer on the Southern Pacific Ry., who resides at Los Angeles, Cal., was troubled with rheumatism for a long time. He was treated by several physicians, also visited the Hot Springs, but received no permanent relief until he used Chamberlain's Pain Balm. He says it is the best medicine in the world for rheumatism. For sale by all dealers. Benson, Smith & Co., agents for the Hawaiian Islands.
